Re: *Abdelaziz V. Schweiger Dermatology Group Et*
Al. 1:24cv5787 - Request for Extension of Time
to File Opening Brief

Dear Judge Carter:

This office represents the Defendant in the above-referenced matter. We write to respectfully request a three-week extension of the deadline to submit our opening brief, currently due on January 9, 2025, pursuant to ECF No. 25, dated December 19, 2024. If granted, the new deadline would be January 30, 2025, with all subsequent deadlines adjusted accordingly.

This extension is necessary due to the considerable time required to draft an effective brief, our firm's concurrent commitments to multiple FLSA matters, and the upcoming holiday season. We believe the additional preparation time will allow us to adequately represent our client and advance the resolution of this matter. This Court has previously granted two extensions, as reflected in ECF Nos. 15 and 20.

We have conferred with opposing counsel, Mr. Ricardo Salmon, Esq., who has confirmed that all parties consent to this request. Accordingly, we respectfully request that an extension be granted. We believe this would serve the best interests of both parties in advancing toward a fair resolution.

Should the Court require any further information or clarification, please do not hesitate to contact us. Thank you very much for your attention and consideration.

Very truly yours,

/s/ Shawn R. Chowdhury
